

Texas Association of Community College Teacher Preparation Programs (TACCTEP)

What is it?

First State Chapter of NACCTEP
(National Association of Community College Teacher Education
Programs)

Goals:

- Establish the First State Chapter of NACCTEP with a mission, goals, and governance
- Provide cohesive membership of Community College Teacher Education Programs that are organized at the state level
- Share innovative ideas that lead to student success in four-year university teacher education programs
- Enable a Community College voice to be heard as legislative changes are made in education.
