Call for Manuscripts

2019 CSOTTE Conference presenters are invited to submit manuscripts based on their presentation for possible publication in the second volume of the CSOTTE journal, TxE^P: Texas Educator Preparation, to be published online on the CSOTTE website (www.csotte.com). Proposed manuscripts will undergo a double-blind review process. To be considered, a manuscript must be previously unpublished and not under consideration with another publication. Presentation at the CSOTTE Conference is not required, but priority will be given to CSOTTE presenters.

The purpose of TxE^P: Texas Educator Preparation is to create a medium for discussion and analysis of educator preparation issues with a specific focus on Texas. The journal will serve to disseminate research, best practices, and professional application. Articles may have a research, practitioner, or professional focus.
